

Tribute to 75 years

The Texas Independent Producers and Royalty Owners Association (TIPRO) is proud to celebrate 75 years of advocating for the Texas oil and natural gas industry. Please help us recognize this important milestone by submitting a video tribute via the following link below. I have provided a few suggested topics to focus on. Videos can be 10 seconds or up to 3 minutes in length. We will compile the video submissions and play them during our 75th Anniversary Summer Conference on September 1-2, 2021, and on our website. The deadline to submit your video is August 18, 2021.

Suggested topics for video submission are below. Feel free to focus on whatever you see fit:

- Congratulate TIPRO on its 75th anniversary of continuous service.
- Tell us what you appreciate most about your TIPRO membership or working with TIPRO as an elected official.
- Explain why Texas oil and natural gas production is important.
- Share a unique memory about TIPRO.
- Offer your advice for future TIPRO members or elected officials.

This video tribute will help us capture an invaluable collection of those who have played a role in TIPRO and the Texas oil and natural gas sector over the last 75 years. We hope you will join us in celebrating our history and the future of the Texas oil and natural gas industry by sharing your video today.

To learn more and submit your video, visit www.tipro.org or visit the link below. It only takes a minute, and you can do it from any device.
